..... Last Sunday Life Magazine reported "The Nixon Administration has seriously tampered with justice in the city of San Diego in an effort to protect certain of its most important friends there from prosecution."

..... In Washington, Democratic Senator John Tunney of California said, "The Life Magazine article raises serious charges of direct involvement by Mr. Kleindienst in preventing alleged violations of federal law. I believe the Judiciary Committee should make a full investigation of the charges." Senator Tunney is a member of the Senate Judiciary Committee.

Mr. Kleindienst has denied any wrong-doing and on the CBS program, "60 Minutes" on Sunday night [19 Mar] he said, "If anyone can produce just one iota of evidence that I've done anything dishonest in this job or that I have tampered with justice for political reasons, I'll resign this job."
